To the Frontier

Geoffrey Moorehouse

To the Frontier Geoffrey Moorehouse

A fascinating account of a journey along the North West Frontier Geoffrey Moorhouse's fascination with India, which began with his classic *Calcutta* in 1971, took him back in 1983 to the North West Frontier, still 1 of the most turbulent regions in the sub-continent of South Asia. For 3 months he travelled through sind and the Punjab, finally reaching the high Hindu Kush mountains in the North. He traversed the Baluchistan desert, lingered in Kipling's favourite city of Lahore, and was one of the few foreigners able to penetrate the Khyber pass as far as the border of Afghanistan. He met Afghan Mujahideen, investigated drug smuggling and 1 day found himself in a room with 2 tons of heroin. In theNorth, he spent time with the celebrated soldiers of the Chitral Scouts. He reports on polo and cricket at altitudes unthinkable at Lords. His account of a terrifying journey along a narrow, precipitous track, complete with thawing but treacherous ice, is a seat-edge experience.

From reader reviews:

Karen Shiner:

As people who live in the modest era should be revise about what going on or data even knowledge to make these people keep up with the era which is always change and move ahead. Some of you maybe will probably update themselves by reading books. It is a good choice for you but the problems coming to a person is you don't know what type you should start with. This To the Frontier is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Mildred Smith:

This To the Frontier usually are reliable for you who want to be considered a successful person, why. The explanation of this To the Frontier can be one of many great books you must have is giving you more than just simple studying food but feed you actually with information that possibly will shock your earlier knowledge. This book is usually handy, you can bring it everywhere you go and whenever your conditions at e-book and printed versions. Beside that this To the Frontier giving you an enormous of experience including rich vocabulary, giving you trial of critical thinking that could it useful in your day exercise. So , let's have it appreciate reading.

Lisa Walker:

Playing with family in a park, coming to see the water world or hanging out with close friends is thing that usually you have done when you have spare time, subsequently why you don't try point that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love To the Frontier, it is possible to enjoy both. It is excellent combination right, you still desire to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.

Everette Murray:

Do you like reading a book? Confuse to looking for your favorite book? Or your book was rare? Why so many problem for the book? But any people feel that they enjoy to get reading. Some people likes reading through, not only science book but in addition novel and To the Frontier or perhaps others sources were given know-how for you. After you know how the truly amazing a book, you feel would like to read more and more. Science publication was created for teacher or even students especially. Those guides are helping them to put their knowledge. In different case, beside science guide, any other book likes To the Frontier to make your spare time a lot more colorful. Many types of book like this one.
