**Winterfrost** Michelle Houts

**An ordinary Danish Christmas turns extraordinary when a family overlooks an important folkloric tradition.**

Christmas has come, and with it a sparkling white winterfrost over the countryside. But twelve-year-old Bettina's parents have been called away unexpectedly, leaving her in charge of the house, the farm, and baby Pia. In all the confusion, Bettina's family neglects to set out the traditional bowl of Christmas rice pudding for the tiny nisse who are rumored to look after the family and their livestock. No one besides her grandfather ever believed the nisse were real, so what harm could there be in forgetting this silly custom? But when baby Pia disappears during a nap, the magic of the nisse makes itself known. To find her sister and set things right, Bettina must venture into the miniature world of these usually helpful, but sometimes mischievous folk. A delightful winter adventure for lovers of the legendary and miraculous.

### From reader reviews:

#### **Betty Castaneda:**

Nowadays reading books are more than want or need but also work as a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want drive more knowledge just go with training books but if you want truly feel happy read one having theme for entertaining such as comic or novel. The actual Winterfrost is kind of e-book which is giving the reader capricious experience.

#### **James Sandifer:**

Information is provisions for those to get better life, information today can get by anyone from everywhere. The information can be a information or any news even a huge concern. What people must be consider whenever those information which is inside former life are difficult to be find than now is taking seriously which one would work to believe or which one the particular resource are convinced. If you get the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take Winterfrost as your daily resource information.

#### **Marie Nitta:**

Precisely why? Because this Winterfrost is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will jolt you with the secret the idea inside. Reading this book next to it was fantastic author who all write the book in such remarkable way makes the content on the inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking way. So , still want to hesitate having that book? If I have been you I will go to the reserve store hurriedly.

#### **Joseph Mesta:**

In this era globalization it is important to someone to obtain information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of references to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The book that recommended to your account is Winterfrost this e-book consist a lot of the information in the condition of this world now. This particular book was represented how do the world has grown up. The dialect styles that writer use for explain it is easy to understand. Typically the writer made some study when he makes this book. That is why this book suitable all of you.
