## Yorkshire Wolds Way 2007 (National Trail Guides) Roger Ratcliffe

The Yorkshire Wolds Way runs for 79 miles over the gently rolling chalk hills between Hessle Haven and the cliffs above Filey. Beginning by the Humber estuary, walkers can follow Natural England's acorn waymarks through wooded slopes and valleys, past the deserted medieval village of Wharram Percy, to the geological curiosity of Filey Brigg. This is the complete, official guide to this beautiful path, ideal for the long-distance walker or the weekend stroller.
