Golf Cures and Fixes: The Instant Improver for Every Single Golf Shot Steve Newell

"Whether you're a novice or club regular, Steve has the answers to all your golf problems."

-- Ernie Els

For the weekend golfer, the game of kings can be an unfortunate succession of shots that are too short, too high or fond of the hazards. Each swing is followed by frustration, anguish and futile attempts to correct the problem, which often only creates more problems. What is needed is a patient golf pro who analyzes each swing and gives constructive advice.

Golf Cures and Fixes is like having professional instruction whenever it is needed most. Straightforward instruction, informative diagrams and do-and-don't photographs zero in on specific problems and provide specific cures.

Steve Newell shows the golfer how to diagnose mistakes by paying close attention to how the ball reacts: short drives, slices, hooks, missed shots and more. He identifies the cause of the errant shot - foot position, grip or posture, for example - and shows how to fix the problem. He also recommends drills that will help cure the problem for good.

Golf Cures and Fixes is organized into chapters according to the type of club used:

- Drivers
- Short irons
- Fairway metals
- Wedges
- Long irons
- Sand irons
- Mid irons
- Putters.

A sunny day on the course is easily spoiled by frustration and self-criticism. Whether a golfer needs to overcome one problem area or 18 holes' worth, having *Golf Cures and Fixes* on hand is a practical and positive strategy that offers a great return on green fees.
