Golf Memorabilia (Crowood Collectors' Series)

Kevin McGimpsey

Golf Memorabilia (Crowood Collectors' Series) Kevin McGimpsey

It is only in the last 30 years that golfing memorabilia has become seriously collectable. There have always been aficionados who have purchased golfing items but since the early 1980s the market for golfing items has changed out of all recognition. Before then there had been little that was produced solely for the collectors' market. Everything had a purpose, whether it was a ticket to the Masters, a mashie niblick, Tom Morris feathery ball, a guide to a particular course, an advertising figurine, a championship medal, or even a postcard of a famous player. Arranged by theme, Kevin McGimpsey gives a history of many collectables and warns you of the fakes and how to spot them. Profusely illustrated with superb color photographs, the book is an ideal guide for the armchair golfer and collector.
