MG Competition Cars and Drivers Richard Knudson

MG established its winning reputation through competition. In 1925, Cecil Kimber set out to build sports cars knowing full well that racing and competition had to be a prime focus. This epic story by Knudsen, a well-known author/historian on MGs, documents every competition car in extreme and careful detail, starting with Old Number One and finishing with MG record cars. The drivers and the cars are shown in time-period photographs, many never published before.
