The Healing Wisdom Of Dr. P. P. Quimby Mason Clark

The words of Phineas Parkhurst Quimby, America's first healer, the founding father of New Thought, in a readable edition. Great care was taken to correctly represent the thoughts in his own words that Quimby wrote between sessions with his many patients. An inventor, he was a true scientist and a philosopher of healing. Forewords are by Drs. Ervin Seale and Erroll S. Collie and an Introduction by Quimby himself. The editor has added references from other great philosophers and a brief description of the environment in which Quimby did his healing.
