## The Madness of Cthulhu Anthology (Volume One)

Sixteen stories inspired by the 20th century's great master of horror, H.P. Lovecraft, and his acknowledged masterpiece, *At the Mountains of Madness*, in which an expedition to the desolation of Antarctica discovers evidence of an ancient ruin built by horrific creatures at first thought long-dead, until death strikes the group. All but two of the stories are original to this edition, and those reprints are long-lost works by science fiction masters Arthur C. Clarke and Robert Silverberg.
