Wyandotte Sonata

C.G. Calvin

Wyandotte Sonata C.G. Calvin

A self-imposed exile from family and friends for two decades as a private investigator in LA, Lee Hunter has decided to try again at home. His arrival in his home county in Kansas in the late 1980's is accompanied by a dark melody of haunting memories ... and sudden murder. What was to be a new security job at a reputable Kansas City company disappears on the night he arrives. Vanishes in blood, at the entrance to the county lake. People he once knew, even a vaguely-remembered family member, are now drug dealers hidden in hometown shadows. Lee can only find faint traces of an invisible duet of contemporary players who are moving to the deadly notes of a song which began with a notorious murder in the 1930's. And Lee Hunter knows he is the next target - Here is a different yarn, one that also brings the best of this city's past back to life. An ingenious (and murderous) blend of fact and fiction. Read and enjoy! Joe H. Vaughan, Author, Images of America: Kansas City Kansas Calvin delivers a fast-moving murder mystery, with memorable characters. A Kansas City, Kansas native comes home and is suddenly thrust into a murder investigation. Residents of Wyandotte County will quickly identify familiar places—for unfamiliar events. Murrel Bland, former Editor The Wyandotte West and The Piper Press This is a good story. Carolyn Bartels, Two Trails Publishing
