Heretics: Past and Present: Can We Now Explain the Unexplainable? Brian Allan

The occult, the paranormal, UFOs and aliens, the weird and wonderful are all covered in this remarkable and insightful book with new angles on the old and ideas that are only just coming to the fore in modern science. Brian Allan has spent decades going where other researchers fear to tread and asking difficult questions. Now in this all-encompassing book he discovers the depth of those our religious ancestors once called heretics. There was more to their often seemingly strange language; there was insight in those peculiar rituals; there was truth locked away in those arcane ideas. This book is a must for any serious researcher of the paranormal, an absolute requirement for UFO believers and a fantastic first port of call for those still lost on the esoteric highway of life.
