Amanda's bold and inspiring use of colour and pattern gives stunning results that are deceptively easy to achieve. This colourful book contains illustrated block-by-block guides to creating ten stunning blankets, with colour variations providing twenty further creations. Each of the ten blankets is constructed from a series of simple motifs, including squares, hexagons and triangles: creating a large and sumptuous blanket is simply a matter of piecing together colourful motifs into wonderful arrangements. The book contains basic instruction on yarns and hooks, explains how to join motifs and sew in ends, and provides a brief guide to using colour. For each blanket there is an index of motifs used, accompanied by the instructions for how to make them: both in written form and as a chart. The blocks include a range of shapes and are accompanied by the 'fillers' needed to fill the gaps between them. Each project has a full colour chart, and takes the reader block by block through the entire construction process.
