**The Guide to Wooden Power Boats** Maynard Bray

**A beautiful and indispensable guide to wooden power boats by America's preeminent photographer of wooden boats.**

This small, elegant book of the most gorgeous wooden powerboats in the world is divided into five categories ? launches, runabouts and racers, power cruisers, motor yachts, and work boats. Among the magnificent vessels included are *Kittywake*, a 100-year-old British steam launch, and *Jessica*, a legendary 75-foot motor yacht built in 1930 whose early years were spent as a fast commute to New York City through Long Island Sound. Also presented here are converted shrimp boats, tugboats, gold cup racers, and the stunning *Principia*, a gleaming 96-foot power yacht and favorite among enthusiasts.
