Grace Notes Brian Doyle

Brian Doyle might just be the most passionate storyteller in America. In this eclectic and compelling collection of stories Doyle writes about his discovery of the incarnated Spirit of God every time he turns around, often in the most unlikely of people, places, and things. In 37 short snapshots, he captures the spiritual essence of everyday life from the perspective of a committed Catholic who loves his faith, his family, his community, and his church, even with all their warts and failings. (Hence the beautiful Argentine tree frog that graces the cover.) Be prepared to take a beautiful, breathtaking, tear-jerking ride on some of the most accomplished, outside-the-box writing you've ever read.
