The MRCP PACES examination is a highly sought-after qualification worldwide and an essential part of postgraduate medical training in the UK. Fully up-to-date with the current exam format, the Pack also reflects the recent changes to Station 5. In each of these two volumes, the authors include clinical cases which mimic the style and approach of the MRCP PACES exam. These sample cases equip the reader attempting the exam with the skills and knowledge necessary for success, and provide an overview of evidence-based medicine for competency-based training. Across both volumes, the authors explore all aspects of the candidate's performance, from clinical examination, to presentation, communication and medical ethics and up-to-date clinical evidence.

This two-volume pack represents great value to the reader and offers a complete revision packages for the MRCP PACES exam.

Volume 1 includes over 150 cases, covering Stations 1, 3 and 5.

Volume 2 includes 75 cases, covering Stations 2 and 4.
