## **Storyboarding: Turning Script into Motion** Stephanie Torta, Vladimir Minuty

This revised text is designed to demonstrate the process of converting static images to an effective animation of characters and effects. Unlike many of its competitors, *Storyboarding* uses the accompanying DVD to show the storyboards in conjunction with a final short film and script. Material on game scripting, Motion Graphics, and Web comics has been added. The text and tutorial disc take an in-depth view on the step-by-step process for developing characters, scenes, and camera angles through the full production of a finished project. The book includes numerous techniques for analyzing scripts, provides a comprehensive look at the various types of storyboards, and covers methods used in both film-making and video game storyboards.

Features:

- Includes new material on *Game Scripting*, *Motion Graphics*, and *Web Comics*
- Uses the accompanying DVD to show step-by-step video tutorials for developing characters, scenes, etc. through the finished project of the storyboard.
