Watson's Really Big WWII Almanac: Volume I: January to June Patrick Watson

This book is set up like a calendar containing information pertaining to World War II. In going to a specific date, you will find it divided by area (i.e. Western Europe, North America etc.). Those areas are further divided by year. What makes it a little unique is that those years range from the 1800's to the present day. The information includes everything from actual battles, to the final fate of a favorite ship, to the activities of movie stars during the war.
