Wolves have as many friends as foes. They are known for their chilling howl and preying on farm animals, but are also regarded with respect as intelligent and socially complex creatures. They hunt and play in packs and are believed by many to be mythical legends. National Geographic Wolves 2015 features breathtaking images, each accompanied by fascinating National Geographic information, and a large grid with moon phases and international holidays. Proceeds from the sale of this calendar support vital exploration, conservation, research and education programs. Earth friendly, printed with soya-based inks on FSC certified paper. A perfect gift for any nature lover.
